**Mother**

Mother’s love is unconditional  
Her care is not substitutional  
Her love is overwhelming  
Her care is adoring  
Her love has perseverance  
Her care has forbearance  
Her love is irreplaceable  
Her care is incalculable  
Her love is incessant  
Her care is constant  
Her love and care start before child’s birth,  
with the only attribute called growth,  
which never ends till her last breath.  
Without her support, life is unmanageable  
Without her love, life is unimaginable  
Without her care, life is inconsolable  
Mother is matchless  
So, she is Goddess

**Mother Nature**

There rings the vehicles’ bell  
Wastes release bad smell  
Environment is not well  
Feels like hell  
If continued, future will be nil.  
Please listen please  
No Bliss, No peace  
Only mess, only harmful gases  
For this damage people are to be charged cess  
So they damage less.  
Make the environment be in a position to be kissed  
Let the pollution be missed  
Let the damage be ceased  
Let us not be diseased  
Let us make future feel pleased.  
We have capacity and ability  
Let us create sustainability.  
Protect our wonderful nature,  
Make happy each creature  
Let us give hope for future  
Let us be mindful

**Friend**

A Friend has  
Mother’s character of loving  
Father’s character of caring  
Brother’s character of protecting  
Sister’s character of helping  
Cousin’s character of sharing  
Grandparent’s character of guiding.  
He / She has  
Kid’s character of smiling  
Teacher’s character of correcting  
Earth’s character of bearing.  
He / She has care, caution, concern and kindness  
He / She has Nature’s nature of togetherness.

* I am thankful to Prof RK Mishra, Director IPE and Dr K Trivikram, Senior Faculty Member, IPE for their encouragement and support

Summer Internship Progress Report, 2018

An internship is an opportunity offered by an employer to potential Professional Course Students called interns, to work at a firm for a fixed limited period of time. At IPE Interns are usually for 2 months from May 1st to June 31st and at the end of the duration, students have to submit their Internship Project Report to College. There will be an internal evaluation and viva-voce and marks also will be awarded by the evaluation team. During the viva-voice examination, students could be asked to make a presentation of their work followed by a question-answer session.

At the end of the third trimester, the students of all the PGP's have to undertake a 6-8 week study at a commercial, corporate, consultancy, government, private organizations in India or abroad and get exposed to the external industrial / business world. Thus they get more exposure in their interested area (specialized subject).

The Practical Internship is the real way of mapping the classroom learning with the industry and to identify / realize the real strength of the students. The SIP will fetch them PPO (Pre Placement Offer) too... provided the organization is impressed by their quality of performance.
