

## Call for Articles

I introduce myself as Dr.B.Sai Sailaja, Asst. Professor, Institute of Public Enterprise, Hyderabad, India. I am writing to you to invite scholarly theoretical and empirical articles/research papers/case studies to publish in our half-yearly journal, Journal of Economic Policy & Research. Before proceeding further, however, I would like to provide a brief profile of IPE. The Institute of Public Enterprise (IPE), Hyderabad is a non-profit educational society established in 1964. It is devoted to Education, Training, Research and Consultancy for business enterprises in the public and private sectors. IPE is the premier Business School at Hyderabad and is recognized as a "Centre of Excellence" by the Indian Council of Social Science Research (ICSSR), MHRD, GOI for doctoral studies. It has developed strong linkages with industry and academic institutions and is the founder member of the Association of Indian Management Schools (AIMS) and is also the member of Confederation of Indian Industry (CII), Computer Society of India (CSI) and European Federation for Management Education (EFMD). It is involved in 1. Research, 2. Training (Corporate and Faculty Training), 3. Management Education, 4. Publications and 5. Consultancy. As part of the publications department, IPE publishes 7 Journals, Newsletter, various monographs and research publications and conference proceedings, apart from the books on various management related topics from time to time, the details of which are available on [www.ipeindia.org/publications](http://www.ipeindia.org/publications). These publications are targeted at academicians, research scholars, policy makers, working executives and general public at large. Eminent academicians, CEOs, and other practicing professionals, have also ventilated their thoughts through our publications from time to time giving our journals a rich flavour of theory and practice.

The Journal, 'Journal of Economic Policy and Research', provides an opportunity for discussion and exchange of findings across the broadest spectrum of scholarly opinion to stimulate theoretical, empirical and comparative studies in the context of economic policy and research both in India and abroad. Different aspects of Economic Policy and its implication on the different sectors of the economy and the country in general, are the main areas covered in this Journal.

With personal regards,

Yours sincerely,  
Dr.B.Sai Sailaja
