Dear Students,

We hope that you are all doing well and coping up with the challenges of COVID-19 pandemic to emerge stronger in the days to come. The pandemic has impacted work across all areas, more so the educational institutions, with the current year academic cycle forcing us to quickly adapt to the new norms of teaching and learning methods.

Given the financial constraints the individuals and institutions are facing in these days, it is natural that every one of us look for some relief in meeting our commitments. We have been receiving requests from some of the students on the fee payment schedule announced requesting for extending the due date for payment of fees. The unexpected turn of events affected all of us individually and collectively as an institution. We have no option but to face the pandemic through our collective efforts.

The schedule for payment of tuition fee is revised with the following two options:

Option I : Payment of full amount of Rs.3,60,000/- on or before 31st July, 2020

Option II : The fee may also be paid in two installments:

- a) First installment of Rs.2,00,000 on or before 15th July, 2020; and
- b) Balance amount of Rs.1,60,000 on or before 31st August, 2020

As Hostel rooms are allotted on first come first serve basis, students are advised to pay the hostel fee on or before 30th June, 2020 beyond which allotment may be subject to availability. It may also be noted that actual occupancy of Hostels is subject to guidelines issued by the Government and any adjustment of Hostel fee will be based on such notifications.

With best wishes,

(S Sreenivasa Murthy)
