Sub: Revision of Incentives for Publications

Based on the recommendations of the Publications Incentives Committee constituted by the Director, the revised Publications Incentives Scheme is presented below. This incentives scheme has been created with a view to nurturing an environment for knowledge creation through active research, and also encouraging publications in recognized journals that count for NIRF and other leading ranking bodies. This new scheme subsumes the 25 journals previously approved by IPE Board, as they are fully covered under the various categories presented below.

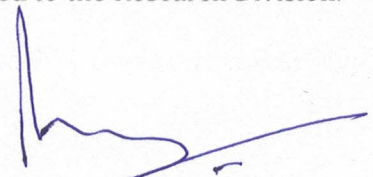

The Publications incentives will be awarded at the end of each Financial Year, i.e., 31st March.
