Social Science Research**

## **National Webinar on Social Sciences Research, Teaching and Learning Experiences during COVID-19 Pandemic Sponsored by ICSSR, MOE (24<sup>th</sup> - 25<sup>th</sup> June, 2021)**

The year 2020 has shaken the globe with grave pandemic and put all lives of every segment into common consensus. Covid 19 came as a shock. Schools and colleges (as we knew it before) are closed to protect students and prevent contagion. Education – Teaching and Learning – has been severely affected by the lockdown. Many institutes have adopted online teaching methods, and subsequently evolved blended (combination of online and offline teaching) teaching. While this transition has been smooth for the better endowed private institutes in India, the less endowed and public institutes are finding it difficult for adapting to the new situation. The National Webinar on Social Sciences Research, Teaching and Learning Experiences during COVID-19 Pandemic is being organized by the Institute of Public Enterprise, Hyderabad to provide a forum to deliberate on the issues pertaining to Research, Teaching, and Learning Experiences during the Pandemic in general and the issues of Social Sciences in particular.

The National Webinar is being organized by the Institute of Public Enterprise, Hyderabad on the issues pertaining to Research, Teaching, and Learning Experiences during the Covid-19 Pandemic in Social Sciences.

### **The National Webinar aims to focus on:**

- Educational experiences from both the teachers and the student's perspectives,
- Variations in experiences across disciplines and levels,
- Identify the gains from the experiences in the immediate and long-term post-CovidPhase
- Challenges faced in Research, Teaching & Learning during the pandemic,
- Handling the research and education during the pandemic
- Technology Innovations introduced for Research - Teaching – Learning
- Adopting/Adapting to new Teaching/Pedagogical methods
- Effectiveness of Learning
- Grading the student learning – Challenges and options explored
