The global economic and technological changes in businesses have led to the drastic shift in the way organizations function. Any student graduating from an institute is obviously pushed to compete not with the nearest neighbour but with the graduates across the globe. This is pushing institutes to optimise their Human Resources cost by sourcing the talent from different geographical units from where the talented human resources could be hired cost effectively. The advent of technology had knitted every corner of the world close to become one unit. Managers are now emerging as the Tech Leaders by blending their Managerial and Leadership skills with the latest Technical skills. This is helping them and the organizations they work for, to be more productive and efficient.

However, creating such super-managers with the combination of managerial and the technical skills has become a new challenge for the B-schools. I am glad that the Institute of Public Enterprise has always been looking to the future, as could be seen in the programs offered and the elite placements secured at IPE. The class of 2021-23 had benefited from the vision of the institution which clearly aimed at designing programs that are a fusion of business management, technology and societal development. We believe that this legacy will be continued by the next group of young and vibrant managers graduating in the year 2024.

The Leadership team at IPE had carved out the strategy to make IPE a key stakeholder in the organizations and society by creating talented managers and leaders who are trained to be innovators and the torch bearers. This strategy is executed by a team of highly dedicated and well qualified teachers at IPE. Their versatile backgrounds and industry experience has been proving to be highly effective in grooming the students to join and serve the industry. I am sure that the class of 2022-24 is ready for the challenge to hit the global platform. I wish them and our Industry partners all the best.

Prof S Sreenivasa Murthy
Director, IPE

Message from the Director

Learning by practice is the mantra in building a successful career in any domain. However, at the Institute of Public Enterprise we have taken an extra steep step to learn by practice in the real time environment. Industry interaction and corporate training have been the key ingredients of successful learning for the students of IPE. At the Institute of Public Enterprise, we strongly believe that industry and society are our key stakeholders whom we are destined to serve. This philosophy drives us to consistently evolve and become highly efficient and globally competent.

Management education at IPE is not just an academic programme that a student completes as a mere degree, but it is the way of life she/he learns. This includes leadership development and teamwork through participation in several student clubs, enhancing the entrepreneurial spirit among the individuals through the programs such as 'Startupedia' and visit to T-Hub, reorienting and sowing the culture and ethnicity into the young minds by our annual cultural fest 'Sanskriti' and many other. The academic part of learning includes Industry Internships and Operational Workouts, simulations, case pedagogy, certification in SAP, Bloomberg Certification, and training in the Data Science using R and Python.

Different verticals offered at IPE widen the scope of hiring needs of our Industry partners and provide a comprehensive list of options for the budding managers to choose from. These verticals include Finance, Marketing, Human Resources Management, Operations Management, Business Analytics, Economics and Entrepreneurship. All the programs are designed and delivered keeping in mind the ever changing industrial and societal needs.

Our industry partners have always been a part of this successful journey and the top industry leaders have been the biggest hiring partners for the Institute of Public Enterprise since its inception. The class of 2022-24 is trained to take up the challenges in industry and society. I wish our industry partners and the graduating class all the best for the placements season 2023-24.

To become an institute of choice for social science research and management education and contribute to the excellence of organizations and society.

Vision

Mission

To anticipate and respond to the needs of social science and management research of the government, corporate and social sectors through its multidisciplinary competency in social science research and management education.

Why IPE?

The Institute is situated amid the lake, hill and forest. The Campus is rated 5 Star by GRIHA (Green Rating for Integrated Habitat Assessment), a congenial environment with serene, beautiful and composed atmosphere that stimulates the young minds to learn more. The USP of the Institute is improving a well-rounded personality of the students by arranging a platform to showcase their innovative business ideas to the angel investors in the name of Startupedia, organizing Samati (Meeting the finest minds) in all the functional areas during which students showcase their functional knowledge to the industry domain experts and students organize an annual B-School fest, SANSKIRTI, in which all top B-School students participate to display their abilities and celebrate their togetherness.

The Institute is known for its intellectual capital with an excellent blend of industry, research, training, teaching and consulting experience. Being an Institute of 57 years of experience, can withstand all the challenges emanating in the VUCA world. The strong alumni network and loyal recruiters take care of the budding managers to blossom.

Faculty supports students to practice responding to social issues. The Social Club of the Institute organizes blood donation camp, donation of food and essential commodities to the needy in the name of box of kindness, run for the cause of farmers, army etc. Cultural Club of the Institute carry forward the various Indian cultures irrespective of the place and religion. Students also form into clubs to disseminate knowledge in all the functional areas of management like Marketing Club, Finance Club, HR Club, and Operations Club.

IPE is the first choice for the large number of recruiters in Telangana and Andhra Pradesh.

IPE: A Profile

The Institute of Public Enterprise (IPE) was established in 1964 as an autonomous non-profit society. IPE is a premier AICTE approved management Institute focusing on transforming students into leaders of tomorrow in organisations and society. IPE's key objectives include management education, research, consultancy, and training. In 1995, the Institute launched its first two year full-time Post Graduate Diploma in Management (PGDM) programme to provide skilled human resources to meet the requirements of industry.

Keeping in view the market demand, the Institute also launched sector-specific PGDM programs in the areas of Marketing, Banking Insurance and Financial Services, International Business and Human Resource Management. IPE's engagement with long-term management education has received wide appreciation from the industry, government and social sector enterprises.

The Institute continuously endeavours to update the content and teaching methodology of its courses based on feedback from the end-users, ensuring the quality, relevance and utility of all its programs and courses.

IPE is consistently ranked among the leading B-Schools in India in most well-known ranking surveys. IPE has also been awarded a premium accreditation label of the SAARC region, 'The South Asian Quality Assurance System' (SAQS). Over the years IPE has won several awards and honours for its academic & research excellence.

IPE has a very successful track record of running MDPs over a long period of time. IPE also has a strong Research and Consultancy Division, which provides consulting services and undertakes research projects for various national organisations.

The Institute has been recognised as a 'Center of Excellence' by the Indian Council of Social Science Research (ICSSR), Ministry of Education, Government of India.

The Governance of the Institute is overseen through a Board of Governors composed of eminent policy makers, academicians, and CEOs of public and private sector enterprises.

The Institute's state-of-the-art new campus in Shamirpet, Hyderabad, has been awarded GRIHA / LEED certification, and comprises modern classrooms, a spacious and adequately stocked knowledge centre, two separate nine-storey air conditioned hostels for girls and boys, a food court, auditorium, seminar halls, discussion rooms and gym complex, etc.

We prepare Great Leaders

For us the game changer in the IPE ecosystem was the support and encouragement we got from faculty members to realise our potential. Besides a rigorous curriculum the multiple club activities fostered in us a competitive spirit, peer learning and coping with setbacks. We also got the chance to host various quiz events as a part of the club activities which gave us a lot of confidence. While we came second in the Tata Crucible in 2018, a high point in our career, we look forward to two girls from IPE besting us.

Kakoli Das, *Triniti Advanced Software Labs Pvt. Ltd*
Shalini Chourasiya, *Deloitte*

IPE has been instrumental in defining who I am today. Right from the faculty to the infrastructure, there has always been support and guidance. It has provided a platform for holistic development – to pursue extra curricular activities and in becoming a management professional.

Kavyasree Kolluru
HR Analyst, Deloitte, USI, Hyderabad

Being a student with 2 years of work experience, I was initially skeptical in joining a good institution which focuses on teaching and developing core management skills.

IPE has always excelled in guiding and nurturing us in not just academics but a 360 degrees personality development.

My journey with IPE has been a roller coaster ride with lots of learning opportunities. I was one of the privileged students to have represented the college at various conferences. Research and practical exposure makes you a better person to face the challenges of the corporate world. PGDM-Banking, Insurance and Financial Services – one such multi dimensional course that I pursued has given me enormous opportunities to explore and master. I have been offered an internship at Franklin Templeton Investments for a Project Management profile.

Sriram, *PGDM-BIF*
Assistant Manager - Credit, HDFC LTD

As I entered the portals of IPE, my mind was clouded with thoughts – all centred on what was in store for me. Within a few weeks, much to my joy, I realised I was having a fair share of fun along with learning experiences.

The camaraderie at the hostel, my active role in academic and non academic events during my MBA tenure, not forgetting my mentors' and teachers' guidance – all helped in building my confidence and shaping my personality.

All along I held on to this philosophy – 'Live in the moment' and this truly made my time spent at IPE a thoroughly enjoyable one.

Kritika Kapoor
Senior Analyst - Talent Acquisition
Deloitte Consulting India Pvt. Ltd, Hyderabad

IPE has been one of the best experiences I've had in my life. The best thing about IPE is the Faculty, who constantly push us to be the best version of ourselves. It has always been a pleasure to represent and win accolades for our beloved institution at many state and national level events. None of this would have been possible without the support of our faculty. Personally, I have thoroughly enjoyed all my days in IPE. All the skills I picked up in IPE helped me land in a better spot not only in my career but also in my life. I strongly feel and believe IPE will continue to help many more aspiring management professionals.

Curriculum of PGDM-IB is indeed a cutting edge one comprising, apart from the regular standard B-School subjects, courses like International Brand Management, Global Marketing Management, Foreign Currencies and Global Finance, Innovation Management which are the hallmark of this programme and are vital in understanding the present global business and global market scenario.

Jeshal Mehta

PGDM-IB

It's a place full of opportunities and exposure and being a part of PGDM-HRM I can proudly say that it's not like any general HR specialization. We have been nurtured to foster in subjects of Human Resource Management with relevant market trends with constant guidance and mentoring of faculties from the beginning of the course which made the roots stronger.

Priyanka Panda

HR Executive Talent Development (LDP), TCS

In an era where all businesses are global, the gradual integration of Indian economy with the global economy is now an irreversible process. PGDM-IB @ IPE provides the right platform where an individual is made well equipped to handle the new demands of the industry in leading their businesses towards this direction successfully. Keeping in mind the dynamic environment that we are living in today, the course curriculum here @ IPE is exceptionally designed, planned and executed to confront these challenging situations successfully.

Nilesh Poddaturi

PGDM-IB

It was a great experience to be a part of IPE-International Business family wherein we learned so many things which are really helping now as we move on to make a name for ourselves in the business world. Apart from theoretical knowledge the practical knowledge played a very important role. I don't feel totally alienated and stranger when I start my corporate journey as a fresher.

Eshan Verma

PGDM-IB

Institute of Public Enterprise has a rich intellectual capital. The learning experience at the institute is remarkable. The course PGDM-International Business is one of it's kind, where you learn every concept of management in a broader, global perspective, which is the need of the day; the course structure is very well designed and an excellent faculty adds to the beauty of the it.

Summer Internship Programme

The Summer Internship Programme (SIP) is a great way to gain work experience and learn new skills. The SIP is an 6 to 8-week programme that provides interns with the opportunity to work in a professional environment and gain valuable work experience. The programme is open and compulsory to students who are enrolled in all programmes. It can also be a great way to gain work experience in your field of interest and make connections in your industry. The SIP can be used to improve your CV, help you get a job or an apprenticeship, or simply gain some valuable work experience.

There are many different types of SIPs available, so it is important to find one that is suited to your skills and interests. There are SIPs available in many different industries, such as ITeS, Manufacturing, Services Market, Hospitality, engineering, marketing, finance, Pharma, Automobile, Telecomm, and more. Some SIPs may be unpaid, but many offer a salary or stipend.

The programme is designed to give interns a taste of the working world and to help them develop their skills and knowledge. It is also an opportunity for interns to network and make connections with professionals in their fields. There are many different types of internships, but they all

have one common goal: to give you the opportunity to learn and grow in your chosen field.

The programme has been very successful in helping interns secure full-time employment after graduation. The outcome of a SIP depends on the individual. In fact, many companies now use the Summer Internship Programme as a way to identify and recruit future employees.

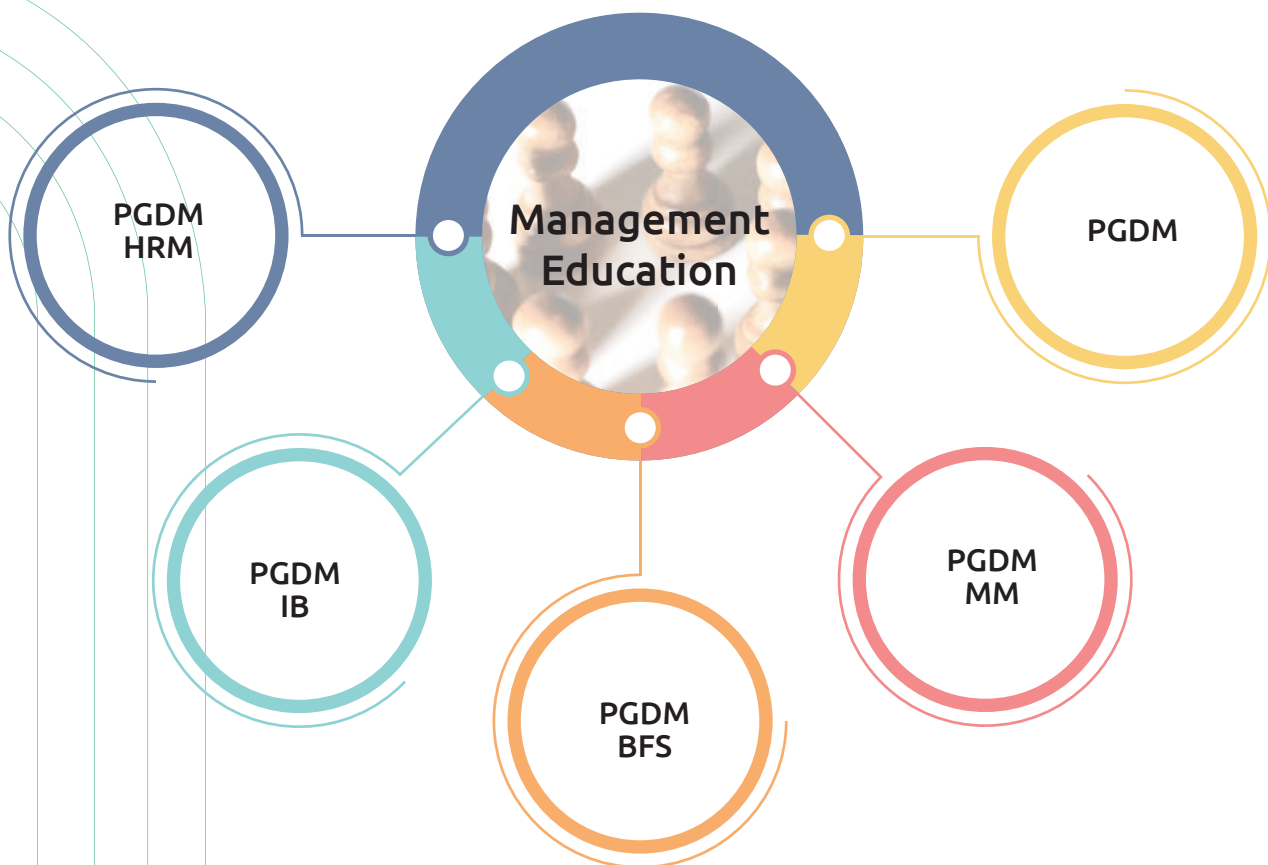

Dr K V Ramesh

Associate Professor – Finance &
Coordinator – Academic Administration

IPE has been the harbinger in imparting state of the art management education and building strong careers. The Institute stands strong with invaluable support from corporate world specifically public sector in designing industry needed syllabi across all areas of management. The faculty implement innovative methods of pedagogy to enable students to learn playfully and applaud innovative learning methods. The learning process at the Institute is further strengthened by the excellent infrastructure that motivates the students to think beyond the classrooms, dream big and try to conquer the unsurmountable targets. We are always indebted to the recruiters who have respected our learning systems, trusted our students and motivated us to reach higher goals year after year.

The program has an intake of 120, and candidates for this program are selected based on their performance in CAT / XAT / MAT / ATMA / CMAT / GMAT and any other test approved by AICTE. The programme offers dual specialization in Finance, Marketing, Human Resources, Operations, Systems, Business Analytics, Economics and Entrepreneurship.

International Study Tour

The institute offers experiential learning opportunities as a part of our outreach program for the PGDM-BFS students consisting of a variety of student activities to ensure a unique understanding of the work environment. It helps them to understand how to perceive the visit to get a deeper experience and exposure. Our previous batch of students visited European countries (OECD, Paris), Dubai and Asian countries (Singapore, Malaysia, etc.) as part of the tour.

Industry Connect Programme: National and Local Visit

Facilitating a common ground for industry and academia to give a holistic insight into the day-to-day industry, the institute organises national and local visits every year to make the PGDM-BFS students aware of all the necessary skill sets required to give a feel of work culture. As part of it, previous batches visited NSE, NISM and NIBM to understand the BFSI industry's functioning holistically.

PGDM- Human Resources Management

Dr Deepti Chandra
Programme Head – PGDM-HRM

Dr Sinju Sankar
Programme Co-Head – PGDM-BFS

Human Resource Management as a function has grown from a mere cost-centric to a profit-centric approach. Today, HR managers assume an active role in the strategic planning and decision making in their organizations. Meeting the challenges head-on and using human resources effectively are critical to the success of any work organization. HRM as a function today has a tremendous potential in the employment of the management graduates in HR Generalist and HR Specialist roles in almost every organization.

The Post-Graduate Diploma in Management – Human Resource Management (PGDM-HRM) is a two-year full time program comprising four semesters of study including projects. This program is envisaged as the highest quality program in the area of Human Resource Management as it is proactively designed to provide eligible, suitable, and competent HR professionals with sufficient knowledge of business to all industrial sectors. The Institute started a two-year AICTE approved full time PGDM-HRM program in 2012. The program has been granted MBA Equivalence by the Association of Indian Universities (AIU).

The course introduces the function of HRM at length, thus, enabling the candidates to seek a career in HR function. This program offers a platter of HR elective courses vis-à-vis other functional area core courses, thus allowing a skill variety. This program is envisaged as one of the highest quality programs in the area of human resource management as it is pro-actively designed with an aspiration to impart skills and knowledge to the students who would like to pursue their career in the field of HR. It is a dual specialization program with an intake of 60.

Key Highlights

- PGDM-HRM has a unique long-term project (LTP) opportunity
- Students are provided opportunities to become members of the HR club.
- The course has been designed practically to suit the requirements of HR professionals and includes specialized papers in the area of HR.

Curriculum for the program is revised on a regular basis after taking inputs from the HR experts from the industry and the academia. The program structure includes a combination of traditional and contemporary subjects like Industrial Relations, Labour Legislation, Workforce Metrics, HR Analytics, Digitisation of HR, Emotional Intelligence & Positive Psychology, etc. The competitive advantage of PGDM - HRM program at IPE is that it offers a Long Term Project (LTP) to students in the final trimester which can ensue into a Pre-Placement Offer (PPO). The faculty members teaching HRM bring in experiential learning with insights from their training, research and consultancy assignments.

Placement Programme Class of 2024

Placement Committee

The Placement Committee of the Institute contacts and assists the companies in the recruitment process. The Committee comprises the Chairman – Placement Committee, Placement Coordinator and all PG Coordinators. The Student Placement Committee assists this Committee. The Placement Coordinator is the convener of the Placement Committee.

The students will be allowed to report to their duties from May 2024 onwards, depending on the need of the recruiter. To confirm participation, the organizations are requested to complete the Placement Response Sheet provided at the end of the brochure and mail it back at the earliest to enable early allotment of dates.

Guidelines for Final Placements

The following guidelines have been framed by the Institute to ensure transparent participation in the placement activities for the Class of 2024. Your cooperation will be highly appreciated.

- Details regarding the organization's placement requirements can be forwarded to the Placement Coordinator. These details are essential for scheduling the placement process.
- Information about the company in the form of brochures, pamphlets, write-ups, etc., may be sent to the Placement Coordinator along with the job profile.
- Pre-Placement talks will be held at the Institute during which the companies make presentations about their operations and job profile.
- The Placement Coordinator will forward the Curriculum Vitae of all the interested students to the organisation.
- The recruitment process will be held in the campus, but if the organization desires, the students should come to their respective office.
- Once a student receives an offer he/she is not eligible to participate in further selection process of any other company.
- However a dream slot may be offered to a company as a special case considering the CTC offered and the future placement prospects.
- All the offer letters to the students by the organization must be channelled through the Placement Coordinator. Duplicate copies of the appointment letters duly signed and accepted by the students will be returned to the organization.
- Please ensure that all the correspondence regarding placements is channelled through the Placement Coordinator.
