## Director's Message

### Welcome to the Institute of Public Enterprise

IPE is one of the leading Management Institutions in India. Started in 1964, it is recognized as a Centre of Excellence by the Indian Council of Social Science Research (ICSSR), Ministry of Education, Government of India. It has trained many IAS, IPS and IFS officers.

It has conducted till date more than 1000 Management Development Programmes (MDPs) for Senior and Middle Level Executives of both Public and Private Sector Enterprises. It has also undertaken a number of research and consultancy assignments as per the needs of the Government, Public and Private Sector Enterprises / Corporations on a continuous basis. IPE conducts both Open and In-house MDPs. The training calendar provides a bird's-eye view of the various topics on which MDPs are organized. Besides, IPE also organizes tailor-made MDPs as per the requirements of organizations.

It offers a variety of two-year fulltime Post Graduate Diploma in Management (PGDM) programmes approved by the All India Council of Technical Education (AICTE) and accredited by NBA such as PGDM, PGDM Banking and Financial Services, PGDM-International Business, PGDM-Marketing Management, PGDM-Human Resources Management and PGDM-Business Analytics. It also offers Fellow Programme in Management (FPM) approved by AICTE. IPE is ranked highest amongst the leading Business Schools in India by various Ranking Surveys.

IPE's city campus is located in the Osmania University campus and the main campus is located in a sprawling 22-acre state-of-the-art campus at Shamirpet, Hyderabad. It has an academic and administration block, a modern knowledge-center (library) which provides access to more than 5,000 National and International journals, 40,000 books, highly useful management-related software, a well-equipped auditorium, food court, indoor stadium and several sports facilities. The campus also has excellent facilities to accommodate the MDP participants.

We welcome you to the portals of IPE to enrich yourself with knowledge, skills and best practices in various domain areas of management with rewarding experiential learning through our MDPs. We are also willing to conduct online MDPs if that suits your organizational requirements.

Prof. S. Sreenivasa Murthy  
Director, IPE

# About IPE

The Institute of Public Enterprise (IPE) was established in 1964 as an autonomous non-profit society for imparting training to the executives of the public sector enterprises. Given the immense responsibility of charting a new path for the country, the public sector enterprises needed executives trained in managerial and leadership skills. These skills were essential for the efficient and effective conduct of various domain related activities in these enterprises. IPE was conceived as a premier institution for designing and delivering the training programmes for those executives and thus became a part of the nation building. From then onwards, IPE has been in the forefront of conducting training programmes in different domains for both public and private sector enterprises.

Given the emphasis on executive development, IPE has worked in close collaboration in research and consultancy activities with these enterprises. These activities have helped IPE to gain rich insights about the functioning of the public sector enterprises which helped in customizing the training programmes to meet the needs of the executives from time to time. The IPE faculty members have been appreciated for their in-depth and critical inputs during the design and delivery of the training programmes

IPE has a very successful track record of running MDPs over a long period of time. IPE also has a strong Research and Consultancy Division, which provides consulting services and undertakes research projects for various national organizations. The Institute has been recognized as a 'Center of Excellence' by the Indian Council of Social Science Research (ICSSR), Ministry of Education, and Government of India.

IPE is also a premier AICTE approved Management Institute focusing on transforming students into leaders of tomorrow in organizations and society. In 1995, the Institute launched its first two year full-time Post Graduate Diploma in Management (PGDM) program to provide skilled human resources to meet the requirements of industry. Keeping in view the market demand, the Institute also launched sector-specific PGDM programs in the areas of Marketing, Banking and Financial Services, International Business Human Resource Management and Business Analytics.

IPE is NRF ranked and consistently ranked among the leading B-Schools in India in most well-known ranking surveys. IPE has also been awarded a premium accreditation label of the SAARC region, 'The South Asian Quality Assurance System' (SAQS). Over the years IPE has won several awards and honours for its academic & research excellence.

The Governance of the Institute is overseen through a Board of Governors composed of eminent policy makers, academicians, and CEOs of public and private sector enterprises. Board is led by the President Shri K Madhava Rao, IAS (Retd.), who is a former Chief Secretary and Election Commissioner, Government of Andhra Pradesh (combined)

## Our Proud Clientele

## Learning and Development Interventions by IPE

The focus on learning has increased all the more in the post pandemic era as the organizational landscape has greatly changed. The organizations have moved earth and heaven to impart new skills to their employees in the post pandemic world. The Institute of Public Enterprise is well equipped for imparting the new skills with innovative management development programmes. The faculty members of IPE, with their rich experience in imparting training have designed a number of training programmes which are apt for the new world order.

IPE has groomed leaders for building a better tomorrow through its training programmes. The IPE alumni have scaled peaks of achievement and performance. The MDPs which have been organized in the last fifty years have enabled many executives to hone their leadership skills for addressing the new challenges of Public and Private Enterprises.

## Advanced Leadership Programme 2025

The Advanced Leadership Programme (ALP) is aimed at honing the competencies of the senior executives of public sector enterprises. The ALP provides insights and inputs to the senior executives to enable them to comprehend the landscape of Indian and global markets and also emerging technologies like AI and ML. The programme has two components, domestic and international. The domestic component comprises of five days of extensive learning and the international component comprises of fifteen days extensive study tour/industrial visit in Europe. The programme is scheduled in the month of September 2025.

## Management Development Programmes

The Institute has been organizing MDPs over the past six decades for the officers of the state and the central governments and practicing managers of public and private sector organizations. It has conducted nearly 100 programmes for over 1600 officers of IAS, IFS and other allied services. IPE has also conducted over 1000 MDPs and in-company programmes for practicing managers of public and private sectors.

Seminars, Conferences and Workshops sponsored by various national and international agencies are regularly conducted by the Institute.

The programmes are organized in functional areas such as Strategic Management, Marketing Management, Financial Management, Accounting & Finance for Non-Finance Executives, HR Development, Organizational Behaviour, Industrial Relations, Information Technology, Supply Chain Management, Project Management, International Capital Markets and New Financial Instruments.

Faculty offer customized and open-house programmes in their areas of expertise and seek nominations from organisations that will benefit from the said programmes.

## Unit-Based (In-Company / Customized) Programmes

Customized training programmes and executive development interventions can be delivered at the designated venue of the organization. The training programmes are designed to help government, public and private business organizations to enhance their competence, performance, productivity and profitability. The Training Division offers a cafeteria approach to in company learning / training, which enables the client organization to choose training modules that meet their HRD needs. IPE can design and conduct such customized training programmes as per the client organization's choice, or in combination with other modules.

## Open Programmes

Open-house programmes draw participation from across different industries in the public and private sectors from all over India.

# The IPE Advantage

IPE is ideally placed in the forefront of delivering training programs for the executives of Public Enterprises. Training programs have been an integral part of IPE since its inception in the year 1964, where the senior executives of Public Enterprises often visited IPE to source insightful learning. The builders of Public Enterprises relied on the training programs for honing their managerial skills which proved critical for planning their growth in the ever-changing dynamic world.

With its rich and varied experience in designing and delivering training programs, IPE is well placed to impart new insights and inputs in the post pandemic world. The faculty members of IPE are equipped with innovative pedagogies during the sessions for impactful learning. The pandemic has enabled IPE to emerge stronger in conducting the management development programs in online and offline mode, which were highly appreciated. Given its ability to design and deliver the training programmes to suit the clientele needs, IPE stands at the vanguard in imparting management skills to the executives of the Public Enterprises
